

Patient Portal

DeFatta ENT is pleased to offer our patients 24/7 access to their health records! The Patient Portal is a secure and convenient way to access your health information. To get started, simply provide us with your email address where you will receive an invitation to set up your account!

Invitation from DeFatta ENT & Facial Plastics

Please connect to our patient portal!

- Collaborate with your health care provider
- Research information about your care
- Stay on top of your medical schedule
- Access your info anywhere, anytime

Signing up is free, simple, and takes less than 5 minutes.

→ **Accept Invitation**

About the Technology

We use CareCloud, which is a leading provider of cloud-based practice management, electronic health record and medical billing software and services. The company connects physicians to their patients in more than 46 states through a fully integrated digital healthcare.

Learn More

Learn more about CareCloud's Community at www.carecloud.com/community.

From the email invite, click “Accept Invitation” and follow the instructions provided. Once your account is created you will be prompted to verify your identity in one of 3 ways:

- Last 4 of your social security number – please note that this will only work if we have your social security number on file.
- Insurance member ID number – the number must match what we have on file.
- Access Key – this number is provided by our office

Information about Secure Messaging

Sending a message to your health care provider is intended for **non-emergency communication**

Please allow up to 24 hours, Monday-Friday for a response.

Accessing your Account from our Website

Once your account has been set up you can access it right from our website! Go to www.defattaent.com to begin.

- Click on “Patient Info” in the top banner,
- Click “Patient Portal”
- Click “Login to your Account”

Trouble logging in? We are happy to help! Call our office at 715-828-2368.
